

IŠGELBĒJO SESUO!

John is sitting in his room, reading a maths book and looking quite upset.

Dannacomes into check on John and askshim what's wrong- John tells her thathisfinalmathsexam is coming up buthedoesn't understand anything.

Danna tells John that she loves maths, and that she can help him study so that he passes his exam!

John jokes with Danna, saying that she is weird for liking maths-but Danna tells him that it's because she likes math that she is able to help him for his exam!

John and Danna sit down together and begin studying maths. John begins to understand the maths, thanks to Danna, and he looks much happier than earlier.

John passed his final maths exam! Daddy tells John how proud everyone is!

Danna comes in, and John tells Daddy that he wouldn't have been able to pass the exam without Danna's help.

John thanks Danna for helping him pass the exam, and lets her know that he is lucky to have her as a sister.

John learned to be thankful for his sister's help, and also learned that every person has skills that may be helpful to others!
